

BUSINESS ASSISTANCE PACKAGE

ONLY \$999*
\$2,400 VALUE

PHASE 01.

Human Relations (HR)

- Free initial 15 min 1:1 counselling / advice on how HR Unplugged can help you with our COVID-19 Business Assistance Package

Post Engagement HR Business Assistance

- Advice on legal requirements and options on paid leave, leave without pay (LWOP), redundancies and general business restructuring (with regular updates as we move through this COVID-19 crisis)
- Written staff communication, which is key to continue to engage with employees in the right way with the right info, in a positive manner. Protecting culture, whilst being clear about the company's situation, is vitally important
- Guidelines for working-from-home (including safety obligations), engaging with stakeholders (i.e., Unions, government, customers)
- Ideas on implementing new working structures to "get creative" and look at different opportunities
- Assistance in calculating entitlements

PHASE 02.

Business - during COVID-19

- Assistance with information on government assistance stimulus packages
- Assistance with payment deferral information (e.g., PAYG, payroll and business tax)
- Simple Business Re-engineering: direction on how your business can engage in a different way with employees, clients and potential clients, role structures, use of technology.

PHASE 03.

The Rebuild - post COVID-19

- COVID-19 will provide opportunities for your business to look at innovative ways to achieve the same or better outcomes:
- We will help guide you to form your Rebuild Strategy (short, medium, long-term), and Action Plan the execution
- Business Re-engineering options: how your business can adopt a new model for the future? Be dynamic, restructure roles, implement a new organisational chart and assess the use of technology
- Develop new remuneration strategies that align with new business structures
- Social engagement and marketing support (see Bonus - Marketing Assets for an additional \$200 + GST)

* + GST. Upfront payment.
